

Multi-age Summer Camp Session III- The Magic of Light

Welcome to The Magic of Light Camp! Following inspiration from the Mud Monster stories, children will explore the luminous quality of paper. Children will have opportunities to draw and come up with their own designs to create their own lantern. We will contemplate and discuss the lantern's color, texture, and other formal elements and conceptual basis for lantern design.

In addition, all participants will be encouraged to create a shape or pattern for a large community collaborative lantern which will be displayed during the Grant Park Lantern Parade.

Parent Involvement: Although Parent Helper days are not required during summer camp, parents are required to provide snacks. Snack assignments will be available a week before each session and can be found on the Preschool Camp page of the website.

What to Bring: Each child should have a labeled water cup or bottled water packed for their camp each day. Also, make sure your child has two sets of extra clothes and underwear if needed on site and wears comfortable shoes (also labeled). If your child is in pull-ups, please provide pull-ups and wipes for them each week.

Please apply sunscreen and bug spray to your child before coming to school, and we will re-apply halfway through the full day with school purchased sunscreen and bug spray.

We are looking forward to having lots of fun in this camp!

Belinda and Nathaniel
