

Graduation and End of the Year Celebration

The Graduation Ceremony and End of the Year Celebration will take place at the Cabbagetown Park Amphitheater, on Friday, May 18th. These events are for all children and families from both campuses. First, we'll commemorate the graduation of our oldest children going to kindergarten in the fall. The graduation celebration will take place at the amphitheater at 9:30 am sharp. This means we need everybody to be at school by 9:00 am so educators will be able to coordinate field trip forms and procedures, and help the group get organized. We will all need to be at the amphitheater by 9:15 in order to ensure we are ready for the graduation to commence promptly at 9:30 am. All graduates, their families, educators from both multi-age classes and the rest of the children from the Frogs class will participate in the Graduation Ceremony.

The younger classes from both campuses will join us for the End of the Year Celebration which will begin at 11:00 am. Each class will offer a song contribution to the festivities. The children of the Frog's class have written their own song this year titled "I Don't Know" which is sung to the tune of Frozen's "Let it go".

Homework Alert! All children should practice singing the song in preparation for the performance.

After the celebration, we will enjoy a picnic lunch in the park together.

Please remember to apply sunscreen on your child and bring a labeled water bottle.

Children will need a picnic style lunch in a lunch bag with an ice pack inside especially those who will remain in the care of GPCP educators for the day. GPCP will provide the milk and water.

Frog's Class Celebration Week

May 21st through the 24th is our Frog's class Celebrations Week. On Monday May 21st and Tuesday May 22nd; we will have our annual **BIKE DAY** ! We will ride our bikes in Cabbagetown Park and play games on picnic blankets. Every child of the Frog's class is invited to bring their bike, scooter, tricycle or anything else that can "**GO**" to school this day. On Tue the 22nd we will also recognise our first year children who will not be returning next year. Families are welcome to join us for this celebration as we will present this group of children's introduction to the class community. This day is also a good day for extra parent helpers so if you are still in need of parent helper days or just looking to embrace these fading opportunities to participate in making lasting joy filled memories with the Frog's class; then this is your chance.

On Wednesday May 23rd and Thursday May 24th, the Frog's class invites the whole Cabbagetown campus to join them for the **Pajama & Costume; Day of Stories** . The children of the Frog's class will share their favorite oral stories and performances from the year and revisit their adventures with Jack and Annie in the Magic Tree House.

At the end of the morning program on Wed May 23rd, Ms. Candace and Ms. Amanda will start their adventure to Reggio Emilia, Italy for an intensive week long study tour. Therefore they will not be with the class on Thur May 25th, the very last day of school . We will both be sure to give extra hugs and kisses to everyone the days before. The class will be supported by Ms. Ina and Mr. Nathaniel.
