

Educator Exchange Day

Dear Colleagues:

The Grant Park Cooperative Preschool will offer our Educator Exchange Day in conjunction with the Nest Nursery School. Participants will have an opportunity to tour both schools starting at The Nest. We will drive to the Grant Park Campus shortly after. We will conclude the exchange day at the Grant Park Campus

**Thursday, November 8th-
2:00 p.m.-5:00 p.m.
The Nest Nursery School
1040 Grant St SE #600, Atlanta, GA 30315**

**Grant Park Cooperative Preschool
501 Grant Street S.E.
Atlanta, Ga. 30312**

These exchange days were developed and launched by Project Infinity in the fall of 2008, in response to increasing requests for visits to our schools.

Educator Exchanges are envisioned as one way to formally share our work and experiences with interested educators, students, professors and community members. The overall aim of Educator Exchanges is to give visibility to ongoing learning processes of children and adults in each Project school. GPCP educators will share presentations of work in process related to our experiences in the school this year.

The cost is \$50.00 per person. The Educator Exchange Day will include an overview of our school's identity, a tour of our school and presentations shared by our educators that illustrate the strategies we use in order to support learning processes and opportunities for our children to collaborate, negotiate and think together.

If you are interested in joining us for a day of exchange and collaboration, please fill out the attached form and return it with your payment at the address below. If you have questions or need further information please contact Melissa Freeman at (404) 521-0440 or at administrativeassistant@gpcp.org.

We look forward to sharing our work with you!
