

Sewing Camp Welcome Letter School-aged Session 2

Welcome to Sewing Camp! Our camp will explore the languages of textile design and sewing. The children will be invited to dye fabrics using indigo and other natural

materials. We will experiment with shibori dye and sashiko stitching techniques. After dyeing and stitching their fabrics, we will create bags and pillow cases to bring home. Along with sewing by machine, children will have an opportunity to create pouches with hand stitching techniques.

Reminders:

- Don't forget to apply bug spray and sunscreen before school.
- Please bring a lunch and water bottle that is labeled each day.
- Extra changing clothes.
- Please remember to sign the field trip form as we will be going to the park for our outside time.
- Your child is welcome to bring washed white clothing such as a t-shirt to dye in the indigo vat.

Looking forward to all the sewing fun!

Best,
Shannon
